

Pauline Petruska

We're ready seeing the effects of global warming and our water supplies are running out. You have enough money you don't need more if you build this this might be the final nail in our coffins. I want to have a future where we have water and the animals aren't on the brink of extinction. Get that through your thick skulls WE CAN'T EAT MONEY

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
