Just because you will not be alive a century from now does not mean that others won't exist. This is not your planet; this planet belongs to both the present and the future, for those who have been born decades ago and to those who will be born decades from now. The lack of self control is barreling yourself and humanity to a brink of no return. Instead of dying out naturally, humanity's downfall will be manmade if this deplorable sin gets carried out. Do not be the reason.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
