I am neutral about the project. There good and bad things about it.

Project Jupiter is poised to bring substantial economic growth to Dona Ana County. It is anticipated to create 4,000 construction jobs and 1,500 project-supported jobs. Furthermore, Project Jupiter has committed \$50 million to help repair, upgrade, and improve local water systems; \$360 million in direct support for schools, infrastructure, and local services; and \$6.9 million to fund workforce development initiatives along with supporting the Boys and Girls Club of Las Cruces, clean drinking water, the local community college, and habitat restoration.

Sincerely,
Joyce gurule
