In a world where we should be fighting against climate change, things like this are happening and affecting all of us. We lived without ai before we could do it again but we cannot live without this planet. While selfish and selfless billionaires are ruining our chances for a better and stronger future.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
