

Quinn Lester

We're already struggling. The entire country is. We don't need AI to live. Data centers are slowly killing us all. The more built the sooner we'll die. Children are already so far behind because of AI and not data centers is just hurting them more. The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably. The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
