

I don't support WIPP's expansion
and the change of its mission
to be a partner in a new
nuclear arms race.

WIPP should retain its
original mission to
cleanup pre-1999 nuclear waste.

Please sign, add your address and any
comments you wish, add 51c postage
and mail this postcard before 9/22.

or

go to StopForeverWIPP.org and sign
our **Open Letter** to the Governor and
the Secretary of the Environment Dept.
