

Appendix B. Photos of the Review Area

These photos were taken during the time of data collection in 2026 at the review area sites.

Photo 3. Lower Reach stream and hummocks, 3/19/2026.

Photo 4. Confluence of the Lower Reach and Bluewater Creek, 3/19/2026.

Photo 5. Lower Reach channel and bank erosion, 3/19/2026.

Photo 6. Perennial pool in Granite Canyon Reach, 3/25/2026.

Photo 7. Largest perennial pool in Granite Canyon Reach;
canyon tree frogs active, 3/25/2026.

Photo 8. Upper end of largest perennial pool in Granite
Canyon Reach, 3/25/2026.

Photo 9. Perennial pool in Granite Canyon Reach,
3/25/2026.

Photo 10. Perennial pools in Granite Canyon Reach,
3/25/2026.

Photo 11. Perennial flow and pooling in Granite Canyon Reach, 3/25/2026.

Photo 12. Perennial flow and pooling in Granite Canyon Reach, 3/25/2026.

Photo 13. Rocky (possibly perennial) pool in the upper ¼ of Granite Canyon Reach, 4/1/2026.

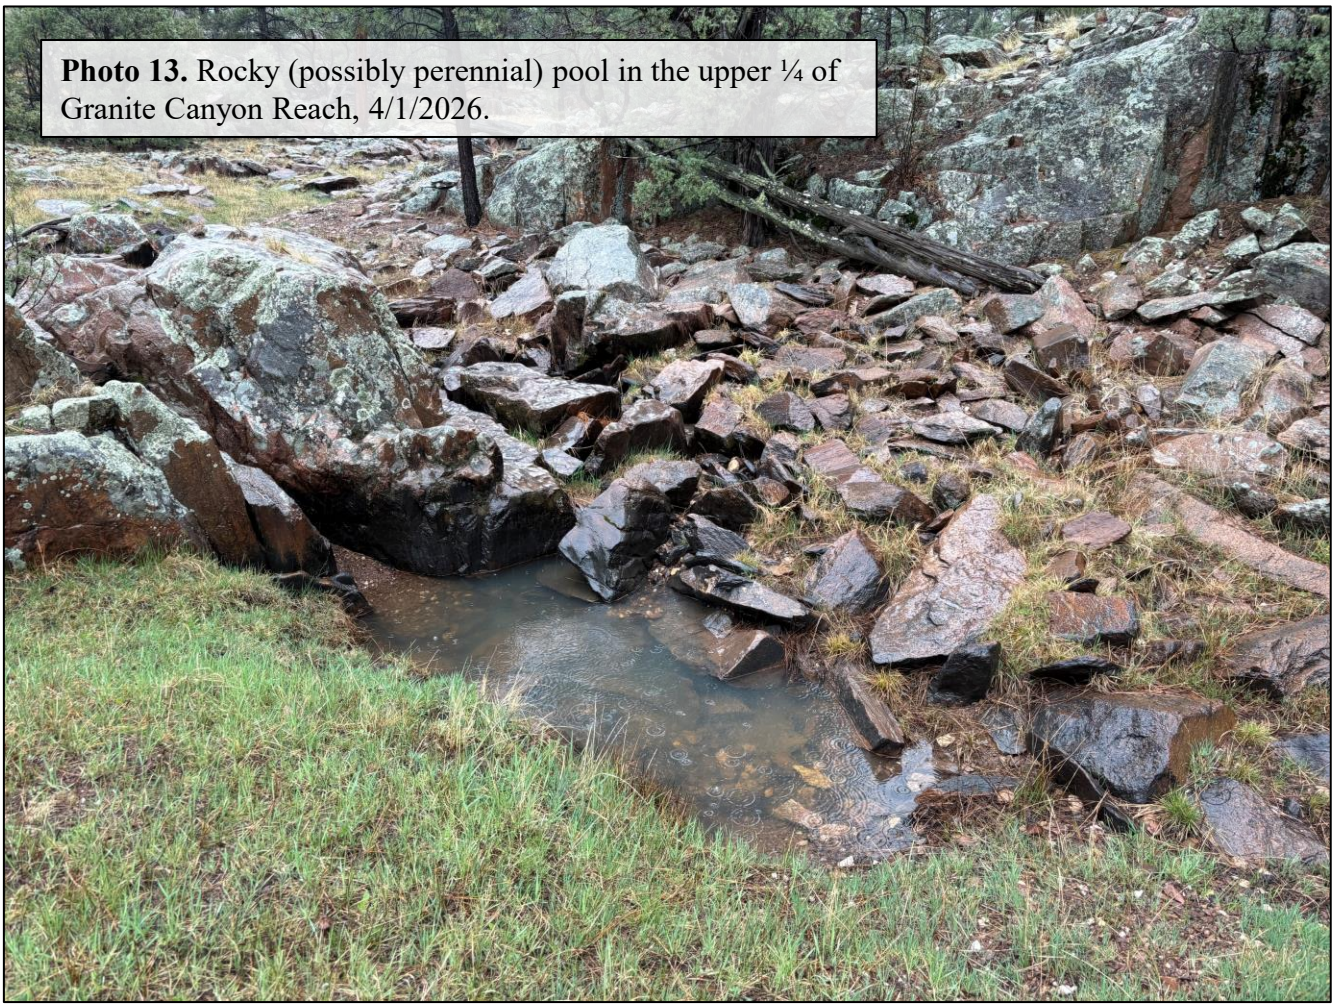

Photo 14. Rocky (possibly perennial) pool pool in Granite Canyon Reach, 4/1/2026.

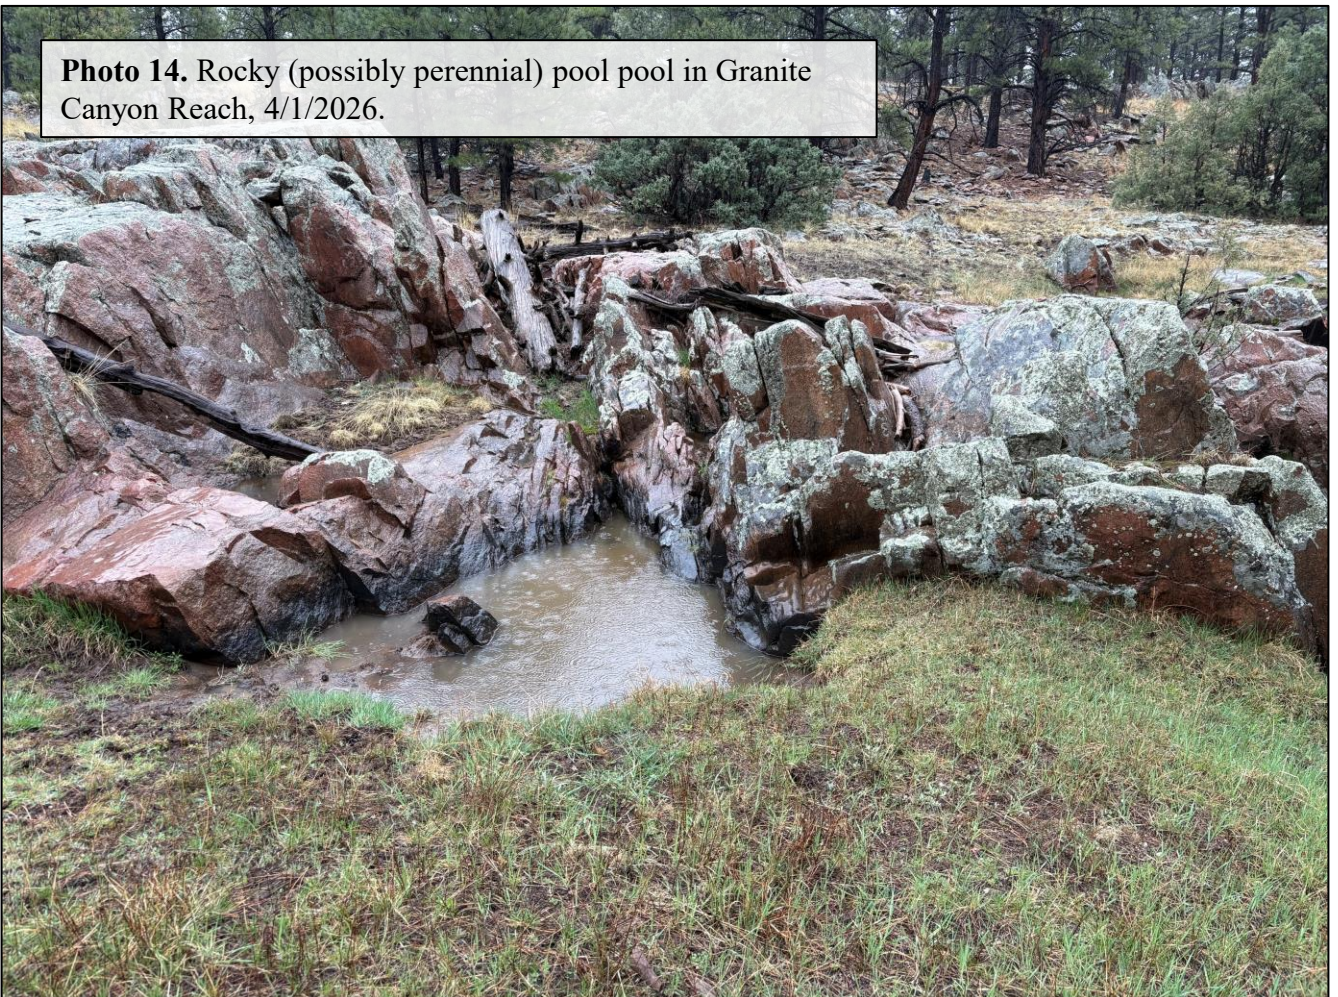

Photo 15. Mostly ephemeral drainage in the upper $\frac{1}{4}$ of Granite Canyon Reach, 4/1/2026.

Photo 16. Mostly ephemeral drainage in the upper $\frac{1}{4}$ of Granite Canyon Reach, 3/25/2026.

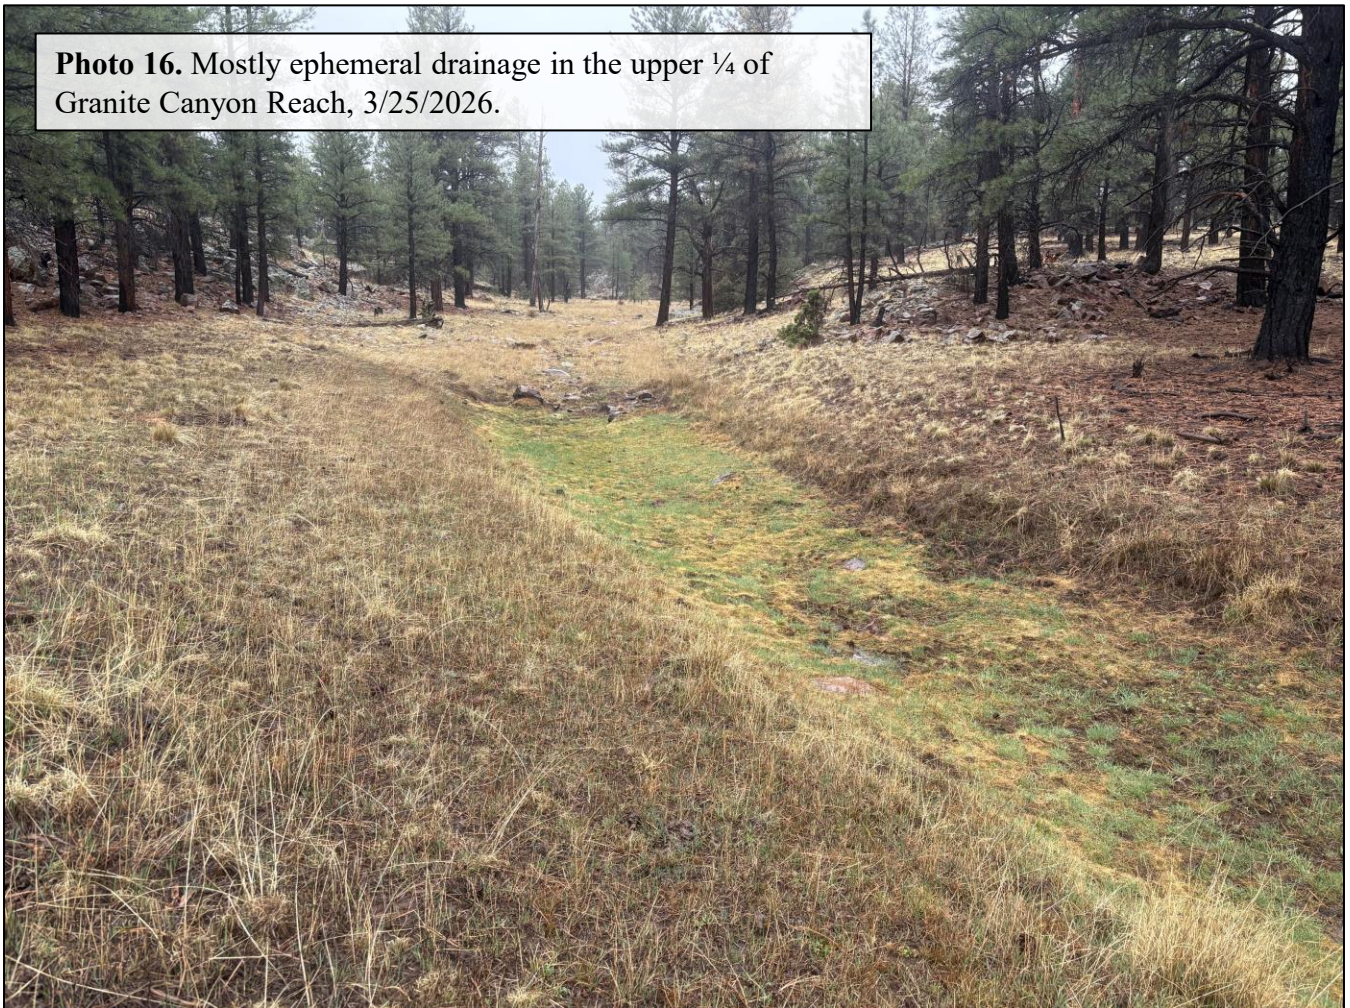

Photo 17. Pipe fence around Shush Kin Fen, completed in 2025. Photo taken 8/4/2025.

Photo 18. Pipe fence around springs and lower end of Granite Canyon Reach, completed in 2023. Photo taken 9/11/2023.

Photo 19. Pipe fence around springs at lower end of Granite Canyon Reach, completed in 2023. Note fenceline contrast between inside (no grazing) and outside (heavy grazing) the fence. Photo taken 3/25/2026.
