# TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

*Protecting Texas by Reducing and Preventing Pollution*

## NOTICE OF PUBLIC HEARING ON PROPOSED REVISIONS TO 30 TAC CHAPTER 293

The Texas Commission on Environmental Quality (commission) will conduct a public hearing receive testimony regarding proposed revisions to 30 Texas Administrative Code (TAC) Chapter 293, Water Districts, §293.23, under the requirements of Texas Water Code, §36.3011; and Texas Government Code, Chapter 2001, Subchapter B.

The proposed rulemaking would implement House Bill (HB) 2080 from the 89th Legislature, 2025, Regular Session. The proposed rulemaking would clarify that a review panel is an advisory board and not a governmental body. It would also require that the recording secretary be a TCEQ employee and to specify that records maintained by the recording secretary must be provided to the executive director and are public documents. The proposed rulemaking would include notice requirements for meetings or hearings held by the review panel. The proposal would also require the commission to reimburse review panel members for actual expenses incurred while engaging in activities on behalf of the panel. The proposed rulemaking would extend the timeframe to process the petition if the panel seeks technical assistance from the Texas Water Development Board and would specify that the review panel may request legal assistance from the commission's Office of Public Interest Counsel. Lastly, the proposed rulemaking would clarify that the review panel is not prohibited from seeking technical assistance or legal advice from entities other than TWDB and OPIC.

The commission will hold a hybrid virtual and in-person public hearing on this proposal in Austin on February 24, 2026, at 2:00 p.m. in building E, room 201S at the commission's central office located at 12100 Park 35 Circle.
