I am not opposed to implementing House Bill 1845.

I am not opposed to implementing House Bill 2453.

I am not opposed to implementing Senate Bill 422.

I am not opposed to implementing resiliency training for new and renewal PWS operators. Training is paramount to running a successful operation and hind sight from past events is critical to review and train on for future events.

I AM opposed to proposals to require all new and renewal applicants to subscribe to the FBI fingerprinting for the criminal history review. This is an unnecessary extra step, especially for renewal applicants.

I am not opposed to reducing CE credits required for LPSTPM license holders for reasons stated by the community.

I am not opposed to updating training terminology.
