

Cody Westover

I am writing to voice my support for Hudbay's Copper World project, recognizing its potential to significantly benefit our local community. The project promises to bring much-needed economic growth, providing high-quality jobs and supporting local businesses. I believe that Hudbay's commitment to responsible environmental practices, combined with the economic boost the project will provide, warrants the issuance of the Aquifer Protection Permit by ADEQ.

Sincerely,

Cody Westover
