I Live in Tucson, but I still care about what goes on in the Santa Ritas And that whole area that so many of us revere for natural beauty and wildlife habitat. I urge you to reject the proposed air-pollution permit for the Copper World mine. As it's currently drafted, the proposed permit does little to ensure the mine protects our air or environment. At a minimum you must require the Copper World mine to obtain a Class I permit. A Class I permit is necessary so that the mine is *\*always\** accountable for limiting its air pollution and protecting the environment — no exceptions.
