

# Rocio Madrigal

If we could help families by making it easy to find an application by an address

this helps families and communities to protect themselves--

Its a shame the DPR -- mission is to protect human health and after 30 years -- children & communities are dying needlessly.

Do your job -- protect human health and don't take 40 years -- children are dying--

Statewide Notification of Agricultural Use of Restricted Materials (DPR Regulation No. 23-003)

Notificación a Nivel Estatal sobre el Uso Agrícola de Pesticidas Restringidos (Reglamentación No. 23-003 del DPR)
