

Emma Flores-Guti

My name is Emma Flores-Guti

I am 9 years old a student at Wilson Elementary!!!

I am concern about the pesticide notification plan that I want you to address before implementing the statewide notification system.

We need the exact location

I want my family to be notify because this chemical's are harmful to me my sibling and other kid's!!!

We deserve a good air quality and Free of Pesticide!!

It's your job to keep All Children's safe...Thank you
