**PETITION TO:** Department of Pesticide Regulation.

We, the undersigned California residents, call on you to create a fully transparent pesticide notification system where upcoming pesticide application information is available to all, including the exact location of the application site, so that we can take appropriate precautions.

Nosotros, los residentes de California abajo firmantes, le pedimos que cree un sistema de notificación de pesticidas totalmente transparente donde la información sobre las próximas aplicaciones de pesticidas esté disponible para todos, incluida la ubicación exacta del sitio de aplicación, para que podamos tomar las precauciones adecuadas.
