- * No anticoagulant rodenticides should be allowed.^[1]
[SEP]
- * California must invest in ecological rodent control to protect raptors and predators.
- * Anticoagulants are toxic and poisonous, killing the very wildlife that naturally controls rodents.^[1]
[SEP]
- * DPR is legally obligated to protect wildlife, not poison it.^[1]
[SEP]
- * Poison use contamination of predators, pets, and ecosystems. Eventually, it reaches us and harms us-humans^[1]
[SEP]
- * Californians have already demanded poison-free solutions, so DPR must honor the law.
- * Please STOP poisoning us and our precious environment!
