I am a a California resident in support of a total ban on anticoagulant rodenticides and in strong opposition to any changes to the regulations that would give exemptions for the use of rodenticides that would roll back protections gained by state legislation in 2020, 2023, and 2024. It's not that I like rodents particularly, it's that anticoagulant rodenticides cause harm to other wildlife, such as killing animals that feed either upon the poisoned rats.
