To The Clerk of the Board:

It was not immediately clear where we are to submit our comments on the Proposed California Corporate Greenhouse Gas Reporting and Climate- Related Financial Risk Disclosure Initial Regulation (Notice), Staff Report (Initial Statement of Reasons), and Proposed Regulatory Text after following the electronic submission:

So, we are also sending a copy of our comments, which are due to CARB today February 9, 2026, in this email (see attachment). We also submitted via the **[Proposed Amendments to the California Cap on Greenhouse Gas Emissions and Market-Based Compliance Mechanisms Regulation](#)** item located **[HERE](#)**.
