

Wanda Toup

Do you live in Placer County?

No

What outdoor activities do you enjoy?

Biking

Swimming

How happy are you with the current master plan?

Happy

Check the types of wildlife you see in the area.

Eagle

Do you have any general comments?

I am concerned about the increasing noise pollution in our community, as it disrupts our daily lives and overall well-being. Additionally, the local turtle population is at risk due to habitat destruction and pollution, which requires immediate attention and conservation efforts. Lastly, improving air quality should be a top priority to ensure the health and safety of all residents.
